

# Retired Member Funeral Guidance

Let your family know that when the Good Lord calls us home, the Division offers funeral honors for our retirees. Our Ceremonial Team does an outstanding job of honoring our members when they pass away. The Current GPO Reads: *“A member receiving information about the death of a retired member shall direct the survivor(s) to the Ceremonial Team Coordinator during normal business hours or to the Record Unit OIC after business hours.”*

A safe practice would be to contact Record File (216-623-5333) and ask to speak with a supervisor who can complete the needed forms and of course, they can always contact the Lodge for assistance and guidance.
